Website: <https://admissionckruet.ac.bd>

1. Introduction:

The 1st year admission test of Chittagong University of Engineering & Technology (CUET), Khulna University of Engineering & Technology (KUET) and Rajshahi University of Engineering & Technology (RUET) in B.Sc. Engineering, BURP and BArch Course for the session 2022-23 for a fixed number of seats will be held combinedly. For this purpose, an admission test will be held on 17 June 2023, on Saturday at 10 a.m. at three centers of examination (CUET, KUET and RUET) with the same question papers. The admission test center will be decided based on the obtained grade point and numbers in four subjects such as Mathematics, Physics, Chemistry and English in the HSC or equivalent examination and choices of the candidates. The admission procedure will be completed online.

2. Number of Seats:

CUET, KUET and RUET offer 4 years graduation degree in different Engineering and URP departments and 5 years graduation degree in Architecture departments. The number of seats is as follows:

Chittagong University of Engineering & Technology (CUET)			
Sl. No.	Name of the Department	Code of the Departments	No. of Seats
1.	Architecture	ARCH	30
2.	Biomedical Engineering	BME	30
3.	Civil Engineering	CE	130
4.	Computer Science & Engineering	CSE	130
5.	Electrical and Electronic Engineering	EEE	180
6.	Electronics and Telecommunication Engineering	ETE	60
7.	Materials Science and Engineering	MSE	30
8.	Mechanical Engineering	ME	180
9.	Mechatronics and Industrial Engineering	MIE	30
10.	Petroleum and Mining Engineering	PME	30
11.	Urban & Regional Planning	URP	60
12.	Water Resources Engineering	WRE	30
Total No. of Seats:			920
Total no. of seats is 920. Except that there are 11 (eleven) reserved seats among which 10 (ten) are allocated for the tribal people of Chittagong Hill Tracts and other districts and 01 (one) is allocated for Rakhain community.

Students from the English Version or Foreign Board must have the equal Grade Point in those subjects. If a student wants to get admission into BME department, he/she must possess Grade Point 4.00 in Biology in HSC or Equivalent examination.
- GCE 'O' Level and GCE 'A' Level passed students must have obtained Grade 'A' in Mathematics, Physics, Chemistry and English, respectively in GCE 'O' Level. They must have also obtained Grade 'A' in Mathematics, Physics and Chemistry, respectively in GCE 'A' Level. If a student wants to get admission into BME department, he/she must have a minimum Grade Point 'B' in Biology.
- A student having HSC/equivalent certificate in 2022 from Foreign Institutes with 12 years schooling must have at least 80% marks or Equivalent Grade Point in Mathematics, Physics, Chemistry and English, respectively. In SSC, he/she must have a minimum 70% marks or Equivalent Grade Point.

4. Subjects and Syllabuses for Admission Test:

- Admission Test of the following two groups (A & B) will be held on the same day and at the same time.

Group A: Engineering departments and URP department

Group B: Engineering departments, URP department and Architecture department

- Subjects and Syllabuses are as follows:

Group A:	Subject	Syllabuses
Engineering departments and URP department	Mathematics	Syllabuses designed for the HSC examination held in 2022
	Physics	
	Chemistry	
	English	Functional English

Group B: Engineering departments, URP department and Architecture department	Mathematics	Syllabuses designed for the HSC examination held in 2022
	Physics	
	Chemistry	
	English	Functional English
	Free-hand drawing for the students who are interested to get admission into Architecture department.	

c) Distribution of Marks:

Group A			Group B		
Subjects	No. of Questions	Marks	Subjects	No. of Questions	Marks
Mathematics	25	150	Mathematics	25	150
Physics	25	150	Physics	25	150
Chemistry	25	150	Chemistry	25	150
English	25	50	English	25	50
Total Marks		500	Free-hand Drawing	04	200
			Total Marks		700

An MCQ examination for 500 marks will be held for the students of Group A. For Group B, in addition to MCQ examination of 500 marks, a separate Free-hand drawing examination of 200 marks (i.e. total 700 marks for examination) will be held.

5. Minimum Qualifications for Admission

- Only the total obtained marks in the admission test will be considered to make the merit position. A merit list for Engineering departments and URP department will be published according to the merit position and a separate merit list will be published for the Architecture department accordingly.
- If more than one students get the same marks, their merit positions will be made based on their highest obtained marks sequentially in Mathematics, Physics, Chemistry and English for the departments of Engineering and URP and in the case of Architecture department, the merit positions will be made based on the highest obtained marks sequentially in Free-hand Drawing, Mathematics, Physics, Chemistry and English.
- A separate merit list of students will be published for reserved seats. It is to be noted that maximum 2 (two) in CUET and 1 (one) in KUET and 1 (one) in RUET will be admitted into each department according to their merits and choices.

6. Application Submission Methods (for students passed from Bangladeshi Education Boards):

Application Form will be filled up online only after the payment of the fixed application fees through Debit Card/Credit Card/Mobile Banking or Internet Banking. A soft copy (jpg format) of a recent photo (not more than three months old, 300×350 pixel, 75 KB maximum) and a signature (300×80 pixel, 20 KB maximum) will be needed to complete the form fill-up process.

The following steps should be followed for the submission of application:

- Step 1:** Enter the website <https://admissionckruet.ac.bd> and click on **Apply Now** button. Read important instructions carefully and click on **Yes, I understand all Instructions** in the check box and then **proceed** on.
- Step 2:** Fill up carefully the name of Board, Roll no. of SSC and HSC, Passing Year and Captcha and then click on **Continue**.
- Step 3:** In this step, the application submission form will be found. Students will have to provide all necessary information, select Group (A or B) and examination centers sequentially. These sequential choices will be for three individual examination centers. If students want to apply in Quota, they will select Quota at this stage. New color photo and signature need to be uploaded following the instructions. Students will then click on **I Agree** check box. After that, students can see the **Preview**. When everything is correct, only then students will **submit** their application forms.
- Step 4:** “Application Submitted Successfully” will be displayed after successful submission. In this step, the student’s Application ID and Password that a student must preserve for the future uses will be shown. It is to be noted that students must not forget or lose their Password and ID. In this stage, students will click on **Pay Examination Fees Now** to go to the payment page.

Step 5: Students will pay Application Fees through Debit Card/Credit Card/Mobile Banking/Internet Banking following the table given below. “Payment is successful” will be displayed after successful payment and students will have to download the pay slip.

Group	Departments	Admission Test Fees Including Service Charges
A	Engineering departments and URP department	1200 (One thousand and two hundred) taka only
B	Engineering departments, URP department and Architecture department	1300 (One thousand and three hundred) taka only

Step 6: Students can log in by giving Application ID and Password through Dashboard of Online application system and download the Application Form, Application Receipt and Payment Receipt. Admit Card can be downloaded after the publication of the list of the qualified students for the Admission Test.

- i. If students select GCE A/O Level in Step 2, they will have to upload scanned copies of GCE A and O Level or Equivalent Grade Sheets as zip file with other information in the submission form.
- ii. If students select Quota in step-3, they will have to upload relevant certificates in jpg format.

Admit Card Collection:

After the publication of the list of qualified students, students can enter the website <https://admissionckruet.ac.bd> and log in to Dashboard and download the pdf copy of the Admit Card. The Admit Card will be color printed in an A4 size white paper. No student will be allowed to enter into the examination hall without the Admit Card.

h) The time and date of admission, orientation, class start and other admission related information will be published on the notice board and in the website of every concerned university and in the website of the Combined Admission Test (https://admissionckruet.ac.bd). No notices in respect to Admission Test will be sent to any newspapers nor will any letter be sent individually to any admission eligible candidate.				

NB:

- The application process through online will be closed at 11.59 p.m. on Monday, 22 May 2023. After that, no application will be possible to submit online.
- An examinee preparing to take admission will not be individually communicated through letters of any type with regard to any information related to the above mentioned points concerned with the Admission Test. Admission seat related information will be found on the notice board and in website of the individual university and in the website of the Combined Admission Test (<https://admissionckruet.ac.bd>).
- The date and time mentioned at the section no. 11 may be changed in any unavoidable circumstances. If the change is done, the essential information will be published on the website of the Combined Admission Test (<https://admissionckruet.ac.bd>).

12. The Guidelines for the Choice of University and Department:

- The order of the choices of University and Departments will be received from all the candidates of the merit list, wishing to have admission, through online on the website of the Combined Admission Test (<https://admissionckruet.ac.bd>) and the choices will not be possible to change after the submission of the choices. The detailed guidelines of how to submit the order of the choices of the University and Departments through online will be informed at the time of the publication of the result of Admission Test through notice on the website.
- The selection of the university and departments will be done according to the merit position and the order of the choices of the admitted candidates.
- The general candidates and the candidates for the reserved seats will get admitted according to the merit position on the merit list at the appointed date and time in the three universities following the admission rules. The name of the selected university and department of the admitted students, the number of the vacant seats and the selected candidates for next admission will be informed before the appointed date of the next admission.
- The candidates, who are eligible to get admission in the engineering and URP departments, have to submit an order of preference with 39 choices and the candidates, who are eligible for Architecture department, have to submit an order of the preference with three choices (CUET Arch., KUET Arch. and RUET Arch.). If a candidate is interested in getting admission to the Architecture department after he/she has got admitted in the engineering and URP department, he/she is to get admitted after cancelling the admission in the Engineering/URP department.

Later, this candidate will not be considered to have taken admission in the engineering and URP department. Likewise if a candidate is interested in getting admission in the engineering and URP department after he/she has got admitted in the Architecture department, he/she is to get admitted after cancelling the admission in Architecture Department. Later, this candidate will not be considered to have taken admission to the Architecture department. The candidates of both cases are not required to submit their admission fee again.

- e) The admission activity will be proceeding before the orientation day according to the above admission system until the vacant seats for admission are filled in. If any seat is declared vacant due to the cancellation of admission by a student, the auto-migration will be continuing according to the merit position of the candidates and the order of preference.
- f) A candidate has to complete his/her admission activity in that university where he/she was allowed to take the examination. But after the completion of the last auto-migration, the candidate will start his/her class at the given department and university, which was allotted to him/her according to his/her merit position of the merit list and the order of preference though whatever university among the three he/she may have already got admitted to.
- g) If any admitted candidate wants to cancel his/her admission, he/she can cancel according to the rules of admission cancellation before the date of orientation at the university where he/she submitted his/her necessary papers for admission. But if a candidate wants to cancel his or her admission after the start of the class, he/she has to do this cancellation according to the rules of the concerned university, where he/she got admitted.

13. The Rules of Admission:

A candidate is to submit the prescribed form for admission through online after he/she himself or herself has filled in the form. There is no scope to change the university and the department after the submission of the choice of the university and the order of the choices of department through online submission of the prescribed form for admission.

- a) The papers for submission at the time of Admission
 - i. The registration card of HSC or Equivalent examination issued by the education board
 - ii. The original certificate of SSC or Equivalent examination
 - iii. The original copy of grade-sheet of SSC or Equivalent examination
 - iv. The original copy of grade-sheet of HSC or Equivalent examination
 - v. The original copy of the testimonial of HSC or Equivalent examination issued by the principal of the Educational Institutions
 - vi. Newly taken (not more than three months) 2 (two) copies of passport size color photos (not attested)
 - vii. The admit card of the Combined Admission Test
 - viii. For admission in reserved seats

Or

-The original copy of the certificate for permanent residence of Bandarban district given by the deputy commissioner/the chairman of local municipal/district parishad/union parishad.

- b) The scrutinizing committee will examine the certificates and the medical board formed by the university authority will check the health of the candidates.
- c) If the candidate is found physically fit, he or she with the approval of the admission committee will get admitted in an appointed time and date submitting admission fee, the original grade-sheets and the certificates at the university. The candidates have to keep the certificates for a period of two years at the university. The candidate can get the certificates back only before two years if he or she cancels his or her admission.
- d) No separate letter concerned with admission and the start of the class will be issued to inform the selected eligible candidates. The candidates will have to know information about admission and class start on their own responsibility. The information in respect to admission and class start will be available on the notice board and in the website of every university and in the website of the integrated admission test (<https://admissionckruet.ac.bd>).

14. The Admission Process for Foreign Students:

The foreign students, who are interested to get admitted, will apply through the foreign ministry and education ministry of Bangladesh. The applications must reach the university by 30 September 2023.

15. The Cancellation of the Eligibility for Admission:

- (a) If any fake information of any candidate with regard to his or her admission is noticed at any time during his or her studentship and if it is proved, then his/her admission will be cancelled.
- (b) If a selected candidate does not appear at the appointed time of the appointed date, he or she will not be considered eligible for admission.
- (c) In case of the cancellation of admission, the admitted candidate himself/herself must appear in person during the time of cancellation. His/her guardian or any other person cannot cancel the admission.

16. Medical Checkup:

The medical board formed by the medical officers of the university, where the candidate will get admitted, will check the health of the candidates. If in the health checkup any candidate is found to have heart disease, sight or hearing disability and any other physical or mental disability, which the admission committee considers an inability in carrying out studies and studentship, it will be considered as the ineligibility of the candidate. The selected candidate for admission will bring the report of the blood group test from an established and recognized diagnostic center and submit it to the concerned university. If the medical board thinks that the selected candidates need other essential medical tests, the candidates will have to do those tests and submit the reports to the board. The candidates, who use spectacles, must carry their spectacles with them. The prescribed form for health report can be downloaded from the website of the combined admission test.

17. Reserved Seats:

The reserved seats for admission in the following universities are given in the following table. The candidates will have to have the order of the merit position as mentioned in the subsection C of section 5 for admission in reserved seats.

The names of the universities	The small ethnic group of the hill districts of Chittagong division and other districts	Bandarban	Rakhain community
CUET	10	-	01
KUET	04	01	-
RUET	04	01	-

18. Accommodation Management in the Residential Halls:

There is no possibility of getting accommodation at hall for students of 1st year/level 1. So, the students have to manage their residential arrangements on their own responsibility.

NB:

- i. It will make a candidate ineligible if he/she tries to influence a teacher, officer and staff of university for admission.
- ii. The decision of the central admission committee (academic year: 2022-2023) concerned with any steps of admission is final.
- iii. An admitted student is to continue his/her academic activities after the start of class according to the rules of the concerned university.
- iv. If the admission test is held in any special circumstances, the candidates will have to take the examination following the government directions.

19. The central admission committee preserves the right to change, rectify, add and re-add any clause and sub-clause of the rules regarding the admission.
